### TEAM WORK WILL DO THE JOB

---

Team work has won victories from time immemorial—for families, towns, cities, states and nations. Team work is the highest form and most democratic example of cooperation. Without team work, America and Americans would never have achieved the greatness that is theirs. We are all aware of its power and appeal. It is no less needed now than in the past.

Team work among those who live, work and recreate in and near the woodlands, is vital. There never was a time when our woodlands as a whole were in such precarious condition as they are now.

Since the hurricane, nearly 900,000 acres of slash have been added to our already sizeable slash problem. If we are to avoid unnecessary trouble with fire in our woodland areas everyone must cooperate—we must have team work. The remedy is simple—

YOU and YOU and You and You

MUST secure the required permit from your local forest fire warden before burning.

MUST use necessary precautions while burning or smoking in or near woodlands.

MUST not throw lighted cigars, cigarettes and matches from vehicles moving along highways.

Otherwise YOU might well contribute to a costly and damaging fire. And don't forget that fire might destroy your own property!

REMEMBER—Only YOU and YOU and YOU can prevent fire!

TEAM WORK WILL DO THE JOB!

February 20, 1953

Board of Selectmen  
Lincoln, New Hampshire  
Gentlemen:

Submitted herewith is the report of the annual audit and examination of the accounts of the Town of Lincoln for the fiscal year ended December 31, 1952, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

### **Scope of Audit**

Included in the audit and examination were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Municipal Court.

### **Financial Statements**

#### **Comparative Balance Sheets:**

**Dec. 31, 1951 - Dec. 31, 1952:**

#### **(Exhibit A)**

Comparative Balance Sheets as of December 31, 1951 and December 31, 1952, are presented in Exhibit A. As indicated therein the Net Debt decreased by \$2,401.20 in 1952.

#### **Analysis of Change in Financial Condition:**

#### **(Exhibit B)**

An analysis of the change in financial condition of

## TOWN OF LINCOLN

---

the Town during the year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

### Decreases in Net Debt

Bonds Matured and Paid	\$ 2,000.00	
Increase in Accounts Receivable	1,082.08	
		<hr/> \$ 3,082.08

### Increase in Net Debt

Net Budget Deficit	\$ 680.88
Net Decrease	<hr/> \$ 2,401.20

### Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures estimated and actual revenues for the fiscal year ended December 31, 1952, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net overdraft of appropriations of \$3,885.00, less a net revenue surplus of \$3,204.12, resulted in a net budget deficit of \$680.88.

### Summary of Receipts and Expenditures:

#### (Exhibit E)

A summary of receipts and expenditures for the fiscal year ended December 31, 1952, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance, as of December 31, 1952, is indicated in Exhibit F.

### Statement of Bonded Debt: (Exhibit M)

A statement of bonded indebtedness as of December 31, 1952, showing annual debt service requirements, is contained in Exhibit M.

## TOWN OF LINCOLN

---

### Audit Procedure

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

### General Comments

#### Current Surplus:

The current surplus (excess of total assets over current liabilities) increased from \$2,558.82 to \$2,960.02 during 1952 as shown by the following statement:

	Dec. 31, 1951	Dec 31, 1952
Total Assets	\$ 6,678.67	\$17,202.88
Total Current Liabilities	4,119.85	14,242.86
Current Surplus	\$ 2,558.82	\$ 2,960.02

#### Purchase of Highway Equipment:

It will be noted that the comparative statement of appropriations and expenditures indicates an overdraft of \$6,446.50 on account of the purchase of new highway equipment.

In explanation of this transaction it may be stated that the town meeting of March 1952 made an appropriation of \$6,300.00 for the purchase of highway equipment. However, due to the fact that the budget committee did not include this item in its recom-

## TOWN OF LINCOLN

---

mended budget, and furthermore because no specific article relative thereto was contained in the town warrant, the Tax Commission ruled that the \$6,300.00 appropriation could not legally be raised by taxation in the 1952 assessment.

Because of the fact, however, that the Town closed the fiscal year of 1952 with a current surplus of \$2,960.02, as heretofore noted, there appears to be no necessity for raising the \$6,300.00 by taxation.

### **Capital Reserve Fund:**

The town meeting of March 1952 voted "to raise \$2,000.00 to be set aside as a Reserve Fund for the purchase of a new snowplow in the future." This amount should be transferred from the general fund of the town to the custody of the trustees of trust funds in accordance with the law relative to capital reserve funds. (Laws of 1943, Chapter 160, Section 8.)

### **Conclusion:**

The accounts and records of the town officials which we examined were found in good condition and the accounting and financial procedure, with exceptions as herein noted, conform to the uniform system prescribed by this Division.

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual report.
